## SERMON NOTES

“The Source of Strength & Wisdom” – Eph 5:15-21  
Series: The Elephant in the Family Room

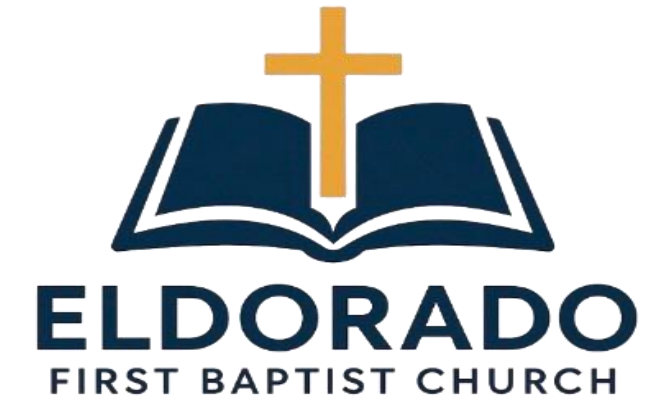

The Family unit, originally designed by God as the foundation of our culture, has been under **ATTACK** for too long and it's time for us to **ADDRESS** the elephant in the family room

There are three \_\_\_\_\_ about submission that when applied help \_\_\_\_\_ both our personal family and our church family...

1. Submission has been \_\_\_\_\_ by Sin (v.22-24)
  - God's design has always been about \_\_\_\_\_ and never about \_\_\_\_\_
2. Submission is \_\_\_\_\_ in Mutual Surrender (v.25-28)
  - Surrender looks less like a king on a \_\_\_\_\_ and more like a servant with a \_\_\_\_\_
3. Submission is \_\_\_\_\_ by Trusting Christ (v.29-33)
  - When we look at it as something not to \_\_\_\_\_ against but as something to \_\_\_\_\_ toward, our marriages become stronger & our families healthier because God becomes priority!

### KEY TAKEAWAY...

Ephesians 5 is not a description of two people in a power \_\_\_\_\_, but of two people living so \_\_\_\_\_ to Christ that they work together in radically different but complementary ways!
